

**STUDENT RURAL HEALTH CAREERS FORUM**  
**MARCH 24th at SIU CARBONDALE**

**When: Saturday, March 24th**  
**11:00 a.m. to 12:30 p.m. (lunch provided)**

**Where: Mississippi Room of the Student Center at SIU Carbondale**  
**1255 Lincoln Dr., Carbondale, IL 62901**

**Who: College students, HS upperclassman and anyone who may be looking for a career change.**

**Why: With the aging population, there is a growing demand for professionals to work in the rural health arena. Doctors, allied health professionals, and those with business backgrounds in healthcare administration, Medical Billing & Coding and IT, are in high demand. The Forum will help students gain insight on the many career paths you can take and the best way to get there.**

**How: Panel Discussion with Healthcare Professionals followed by lunch. Event is free but please register at [www.ilruralhealth.org](http://www.ilruralhealth.org) by March 22nd. Contact IL Rural Health Association with questions at 217-280-0206.**
